

FAQ

Can I submit more than one recommendation?

Yes, but one is enough.

Is there a specific form what recommendations from a supervisor should look like?

No

Can my application project be slightly linked to current projects?

Yes, but it has to be specific for this project.

I've lost my password, how can I access to the platform?

- If you've lost your password, please click on "Log in / Sign in", and then on « Forgot your password? ». You will be asked to enter your e-mail and the instructions to reset your password will be emailed to you.

Is there a way to change my personal information once I have completed the registration?

- You can always change the content of your personal information. For this matter, go to "My account", then - in the "Personal data" section (under your dashboard) - click on "modify" or "change my password".

Will someone be available to assist me during the online application/nomination/review?

- Being easy-to-use, the www.forwomeninscience.com platform is intended for self-use.

If you have any questions, please contact us via fwis@attach.lv

For which scientific fields is the programme open?

- **life and environmental sciences** (biological sciences, basic medicine, clinical medicine, health sciences, health biotechnology, earth & related, environmental and agriculture sciences);
- **physical sciences** (physics and chemistry);
- **formal sciences** (mathematics, computer, information sciences)
- **engineering sciences and technology** (civil engineering, electrical engineering, electronic engineering, information engineering, chemical engineering, material engineering, medical engineering, environmental engineering; environmental biotechnology; industrial biotechnology, nanotechnologies).

Is there an age limit?

All (PhD students and also PhD holders) applicants must be below the age of 40 on May 31st, 2023. Limit of years can be extended up to 18 months per child.

I have a PhD and I don't hold any postdoct position, how do i fill out the application form?

Fill out only what applies to you, leaving the rest of the fields empty and upload all the required documents at the end of the application process.

What should my application include?

Applications may only be submitted by the candidates themselves through the online platform at www.forwomeninscience.com. Applications must be written in English and must contain the following items in the following order.

An application is considered complete only when it includes all of the following:

- A duly completed application form
- A detailed CV in English
- Copies of documents confirming the candidate's education and any scientific degrees obtained (can be in the candidate's national language)
- A description of the candidate's planned research project for a period of one year (summary of the problem, aim, purpose of the research, research questions and possibilities to solve them in the given time)
- A recommendation from the candidate's academic advisor or the scientific institution where the project is being carried out (can be in the candidate's national language)
- A list of the candidate's scientific publications and patents.
- Copies of not more than two or three of the candidate's most significant publications or web links to the full text.

Please carefully read the full eligibility criteria in Rules and Regulations.
